

## WALL LINE OF ILLUMINATED MIRRORS

**Lighted wall mirrors** Cantoni are divided into two lines MDE500 and MW lines.

The **MDE500** line consists of **modular mirrors** with 35 mm anodized aluminium profiles; the MDE mirrors come with 6 or 12 bright professional **I-light** lamps, embedded according embedded flush with the surface. The line of mirrors **MDW** is instead consists of large **wall mirrors** with polished methacrylate 9 **I-light** intensity adjustable lights inserted into a frame.

The study of distances between different points of light, luminous gradation perfectly neutral to 4200 kelvin, low power consumption and the total absence of heat emission make them ideal for **professional make-up and hairstyling**.

Italian artisan production.

*ITALIAN PRODUCTION  
Advanced machines and **robotic procedures**,  
to ensure **maximum accuracy***

*ANODISED ALUMINIUM 35 MM*
