

MPH - Wall-mounted light frame with mirror

Button lighting the luminous frame

The MPH luminous frame, with built-in mirror, features the ability to insert in the aluminium profile an image, which acquires particular prominence thanks to LED back lighting. The image in high resolution, is printed directly on glass. Integrated transformer and power button on the side. Profile of only 4.5 cm in anodized aluminium, quick installation.

High quality and technology ensure durability and reliability.

MPH is available in two different models:

- With neutral mirror
- With lighted mirror

In the model with lighted mirror, the lights, neutral to 4200 ∞ kelvin, are equipped with the **I-light** Cantoni system, specific for facial care, and are adjustable in brightness.

The electrical output cable of the light panel is not equipped with the plug: it needs to be connected to the electrical wiring of the room.

(Standard) dimension: 1200mm x 800mm x 45mm
Size of the mirror: 600mm x 600mm

Standard frame: anodised silver or black aluminium Back: aluminium and LPD

Possible customizations:

- Frame finish
- Frame size
- Size of the mirror
- Imagine on glass
